

Documentation Requirements – Commercial Imports.

Commercial Imports – Goods that are either being imported for sale or business purposes.

Requirements :

1. A valid EORI number.
2. Suppliers invoice, which contains a detailed description and value of the goods being imported.
3. Suppliers packing list if available.
4. Copy of shipping documentation. Airwaybill / Sea Bills of Lading.

Commercial Samples – Goods being imported as a one-off / not for resale.

Requirements :

1. A valid EORI number.
2. Suppliers invoice, which contains a detailed description and value of the goods being imported.
3. Suppliers invoice must clearly state that the item is being sent as a sample and the item itself must be “marked, defaced or altered in some way so it cannot be sold”. (Customs will inspect such items).
4. Suppliers packing list if available.
5. Copy of shipping documentation. Airwaybill / Sea Bills of Lading.

British Return Goods – Goods previously exported from the UK that are being returned to the original UK Shipper.

Requirements :

1. A valid EORI number.
2. A copy of the original “export entry” when the goods left the UK.
3. A copy of the original “export shipping documents”. This needs to be a freight forwarder certified Airwaybill, Bill of Lading or Courier Consignment Note.
4. Copy of the current shipping documentation. Airwaybill / Sea Bills of Lading.
